

Appln. No. 09/783,288
Amd. dated September 8, 2004
Reply to Office Action of June 8, 2004

REMARKS

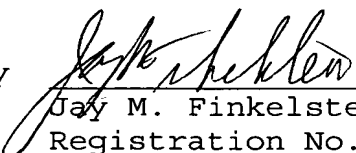

The Examiner's action dated June 8, 2004, has been received, and its contents carefully noted. The indication of allowability of claims 2-7 is noted with appreciation.

In order to complete prosecution, claim 2 has been placed in independent form by incorporation of its subject matter into parent claim 1, the typographical error noted in section 1 on page 2 of the Action has been corrected, claim 3 has been amended to depend from claim 1 and claims 8-10 have been canceled. Thus, the Application has been limited to those claims that the Examiner considers to be allowable and it is therefore requested that claims 1 and 3-7 be allowed and that the Application be passed to issue.

If the above amendment should not now place the application in condition for allowance, the Examiner is invited to call undersigned counsel to resolve any remaining issues.

Respectfully submitted,
